**BE IT ORDAINED**, by the President and Board of Trustees of the Village of Hopkins Park, Kankakee County, Illinois, an Illinois Home Rule Municipality as follows:

**SECTION I. WATER RATE.** Effective October 1, 2015, the charge for water furnished to consumers within the Village shall be:

- A. **Single family residence:** a flat rate of \$26.00 per month for use up to 5000 gallons each month, and \$1.70 for each 1000 gallons or portion thereof used in excess of 5000 gallons in any month up to 10,000 gallons, and \$1.30 for each 1000 gallons or portion thereof used in excess of 10,000 gallons
  - 1. Multiple dwelling units on one property (ex: more than one living residence, house or trailer) connected to one meter shall be calculated by applying the rates established for single-family residences per unit and dividing the total water usage by the number of dwelling units.
- B. **Multi-Unit Residential with separate meters for each unit:** a flat rate of \$26.00 per month per unit for use up to 5000 gallons per unit each month, and \$1.70 for each 1000 gallons or portion thereof used in excess of 5000 gallons per unit in any month up to 10,000 gallons, and \$1.30 for each 1000 gallons or portion thereof used in excess of 10,000 gallons.
- C. **Multi-Unit Residential with single meter and commercial I** (eg: Libraries, Parks, Community Centers): a flat rate of \$36.00 per month

for use up to 2000 gallons each month, and \$1.70 for each 1000 gallons portion thereof used in any month up to 20,000 gallons and \$1.30 for each 1000 gallons or portion thereof used in excess of 20,000 gallons in any month.

- D. **Industrial and Commercial II** (eg: schools, daycares, restaurants, stores, senior residential buildings, senior citizen buildings, etc): a flat rate of \$68.00 per month for use up to 4000 gallons each month, and \$1.70 for each 1000 gallons or portion thereof use in any month up to 50,000 gallons and \$1.30 for each 1000 gallons or portion thereof used in excess of 50,000 gallons.
- E. **Farm I (1 to 2 horses, small live stock)**: a flat rate of \$52.00 per month for use up to 3000 gallons each month, and \$1.70 for each 1000 gallons or portion thereof use in any month up to 35,000 gallons and \$1.30 for each 1000 gallons or portion thereof used in excess of 35,000 gallons.
- F. **Commercial Farm (3 or more horses, live stock)**: a flat rate of \$85.00 per month for use up to 5000 gallons, and \$1.70 for each 1000 gallons or portion thereof use in any month up to 70,000 gallons and \$1.30 for each 1000 gallons or portion thereof used in excess of 70,000 gallons in any month.
- G. **Any residence property where horses or live stock is present, one shall pay in accord with E. or F. above.**

**SECTION II. METERS REQUIRED.** All premises using Village water supply must be equipped with an adequate water meter furnished by the village or approved by the Village Building Inspector or Village Code Enforcement Officer, and the cost of all water meters shall be paid by the purchaser or the consumer. Water meters shall be located in such manner as the Building Inspector or Code Enforcement Office shall direct, within the premises to be served or in boxes or vaults, and all such installations shall be made in accordance with specifications to be prescribed by the Building Inspector or Code Enforcement Officer and such meter must be so situated as to prevent freezing of water

flowing through such meters. Shut off valves shall be located on both sides of the water meter.

**SECTION III. SEWER RATE.** Effective January 1, 2016, the charge for sewer service furnished to consumers within the Village shall be:

A. **Single Family Residence:** a flat rate of \$24.00 per month for use up to 5000 gallons, and \$1.70 for each 1000 gallons in excess of 5000 gallons or portion thereof use in any month.

1. Multiple dwelling units on one property (ex: more than one living residence, house or trailer) connected to one meter shall be calculated by applying the rates established for single-family residences per unit and dividing the total water usage by the number of dwelling units.

B. **Non Residential Commercial I** (Libraries, Community Buildings, Parks, etc): a flat rate of \$34.00 per month for use up to 2000 gallons and \$1.70 for each 1000 gallons in excess of 2000 gallons or portion thereof use in any month.

C. **Commercial II** (Schools, Daycares, Restaurants, Stores, Senior Residential Buildings, Senior Citizens Buildings, etc): a flat rate of \$66.00 per month for use up to 4000 gallons and \$1.70 for each 1000 gallons in excess of 4000 gallons or portion thereof use in any month.

**SECTION IV. TAMPERING** means to interfere with “something” in order to cause damage or make unauthorized alteration.

A. **Tampering** includes (but is not limited to) removed or broken locking devices, and altered or broken Village water values and meters.

B. **Fee:** The minimum service charge shall be \$350.00. In addition, the Village of Hopkins Park Water and Sewer Department may pursue prosecution of tampering with a public water service.

**SECTION V. FORCE AND EFFECT.** This Ordinance shall be in full force and effect from and after its passage, approval and publication as required by law. Any ordinance in conflict herewith is repealed to the extent of the conflict. The Village Clerk is hereby ordered to publish this Ordinance in pamphlet form.
